|--|---|---|---|
| As a player, I want to be the richest among all                            | Owning most properties (houses/hotels), lots and collecting rent from other players | Have some bonuses (from Chance/Community Chest) or take a break (at some stop over point) | And avoid going to Jail or being taxed by the Bank or other players |
| I want to have lots of money   | Grids of Lots (land of properties)  | Collect \$200 as player pass GO ---->   | Go to Jail Grid   |
| I will then be able to buy Houses  |   | Community Chest Grid (Total 3 on board)   | Income Tax Grid   |
| With the houses, I will be able to collect rent from other players         | Train Stations (Total 4 on board)   | Chance Grid (Total 3 on board)  | Super Tax Grid  |
| From Houses, I will then be able to upgrade them to Hotels                 | Electrical Company Grid (1 unit)  | Free Parking Grid (1 unit)  |   |
| So that I will be able to collect higher amount of rent from other players | Water Works Grid (1 unit)   | In Jail / Just Visiting Grid (1 unit)   |   |
